WELCOME!

Welcome to your new community! Our goal is to provide superior service to our residents. We strive to treat all residents with respect, enthusiasm, and a positive attitude in every encounter.

The policies and guidelines contained in this Handbook are attached to and made a part of your Apartment Lease Contract (the "Lease"). As such, you should read this handbook carefully as you agree to be bound by these policies when you sign the Lease. You are also responsible for your guest's compliance with all policies and guidelines. Violations of rules contained in this Handbook may be subject to fines leading up to eviction. We have a right to change this Handbook from time to time as we deem necessary. Any changes to this Handbook will be effective and a part of the Lease once they have been delivered to you or posted in a public area of the community used for such purposes.

The terms "you" and "your" refer to all residents listed on the Lease. The terms "we", "us", and "our" refer to Management/Owner listed on the Lease. All terms in this Handbook shall have the same meaning as in the Lease.

Everyone in a community has the responsibility to maintain the safety and well-being of the community, to maintain the condition of the facility, and to take initiative and action if there is a violation of community standards. Your presence during any violation of the community's standards or policies ultimately condones supports and/or encourages violation(s). If you witness a crime, please call 911 immediately, and then contact the management office.

Our vision is that individuals accept ownership of and take responsibility for resolving conflicts and problems in their community. In the event that a conflict arises that you have not been able to resolve, please do not hesitate to contact the leasing office.

the current month's rent. If any amounts are deducted to cover an outstanding balance, your current month's rent will not be considered paid in full and late fees will be assessed.

3. After-hours Payments

Payments can be made after hours by dropping off your check, money order or cashier's check in the drop box at the management office if one is available. Be sure to include your name and apartment number on the check, money order or cashier's check to ensure timely processing. If late charges are applicable, they will be assessed to your account and/or the payment returned. We have the right to refuse any payment that does not pay your balance in full.

Online payment options as described above are also available after-hours, however we are not liable for problems you may experience with website or portal functions and other factors out of our control, and any issues with their use are not sufficient grounds for a late Rent payment.

C. TRANSFER POLICY

Subject to availability, you will be allowed to transfer to a different unit or bed space within the community provided the following conditions are met:

- You must be in good standing prior to approval of transfer and all balances must be paid
- Your apartment will be inspected and if damages are assessed, all damages will be paid prior to approval of transfer
- You may be assessed a transfer fee
- If the rent for the new space is higher, we have the right to re-verify income
- You will sign a new lease and addenda with new lease dates, rental amount, etc.
- In addition to the above items, you may be required to pay a new security deposit

Transfers, even within the same apartment unit, may only take place with written approval from management.

D. GUESTS

A guest may not stay in your bedroom for more than three consecutive nights, two times within a calendar month (six nights total). Prior approval must be obtained from the management office for guests wishing to extend their stay. Guests must abide by the policies in this Handbook. You are responsible for the actions of your guests and informing them of the rules of the community, including parking.

E. ROOMMATE REMEDIATION

If a conflict arises between you and your roommate, it will not be considered grounds to terminate the Lease. Additionally, it is not our responsibility to resolve the conflict. We will assist you with mediation and finding possible solutions; however, it will be the responsibility of you and your roommate to find a resolution in a conflict. In the event of transfer as a solution, all applicable transfer fees will apply.

Suggested Guidelines for Co-Habitation:

- Decide on a thermostat setting that all roommates agree to
- Organize the fridge/freezer for easy access and to easily see which items belong to whom
- Create a laundry schedule and discuss with your roommates if you need to change your schedule at any time
- If sharing a bathroom, have designated shower times to ensure time to get ready for class/work
- Decide who will be responsible for taking out the trash on which days
- Agree upon a level of cleanliness for all common areas

PROTECTING YOURSELF

A. CRIME

We do not guarantee or assure your personal security. Our actions are voluntary in an effort to reduce the risk of crime in the community. You agree that the provision of safety devices and patrol services will not constitute a guarantee of their effectiveness nor impose an obligation to us to continue providing these services. If you witness a crime, please call 911 immediately and then report it to the management office.

B. PERSONAL SAFETY

Though we do our best to provide a safe living environment, no community is exempt to crime. The following guidelines will provide you with basic, easy-to-follow tips to help you protect yourself.

1. Inside Your Apartment

We recommend you follow these important safety guidelines inside your apartment as follows:

- Dial 911 for emergencies. If an emergency arises, call the appropriate authorities first, and then notify management.
- Lock your doors and windows - even when you are inside.
- Before answering the door, see who is there by looking through a window or peephole. If you do not know the person, first talk with him or her without opening the door. Do not open the door if you have any doubts.
- If you return to your residence and you think it has been entered illegally, do not enter. Call 911.
- Never give out keys, gate or lock combinations. If your keys are lost or stolen, call the leasing office or after hours emergency line immediately to re-key the apartment.
- Keep a complete list of the serial and identification numbers of computer and other electronics. This will help if recovering stolen goods.
- Keep valuables out of sight by drawing curtains or blinds and storing such items away from windows.
- Never leave a note on your door stating you are not home.
- Do not display apartment keys in public or carelessly leave them in the mail area, at the pool or places where they can be easily stolen.
- Do not put your name, address or telephone number on your key ring.
- Check your smoke detector monthly for dead batteries or malfunctions.
- Check your door locks, window latches and other security devices regularly to be sure they are working properly.
- Close and latch your windows while you are not home, particularly when you are on vacation or away for a long period of time.
- Leave a radio or television playing softly while you are gone.
- Immediately report the following to us in writing, dated and signed:
 - Any needed repairs of locks, latches, doors, windows, smoke detectors, and alarm systems
- Close curtains, blinds and window shades at night or while you are not home.
- Mark or engrave identification on valuable personal property.
- Use lamp timers when you leave for extended periods of time.
- In a residential community, screaming may sound like horseplay. In an emergency, be specific by shouting "Help!" "Police!" or "Fire!"

2. Outside Your Apartment

We may provide systems or services such as courtesy officers, courtesy patrols, electronic alarm systems, emergency alert buttons, pedestrian gates, limited access vehicle gates and gate houses (manned and unmanned). These services or systems are not a guarantee of your personal safety or security and they are not a guarantee against criminal activity. We have the right to alter or cancel any of these systems or services without notice. We have no duty of security or personal safety except to proceed with diligence to repair any systems after notification that such systems are not working.

We recommend you follow the important safety guidelines outside your apartment as follows:

- When returning to your apartment late in the evening, if possible, always use the main property entrance or commonly used walkways.
- Lock your doors while you are gone.
- Tell your roommates where you are going and when you will be back.
- Do not walk alone at night.
- Do not hide a key under the doormat or a nearby flowerpot. These are the first places a burglar will look.
- Do not give entry codes or electronic codes to anyone.
- Carry your door key in your hand when nearing your entry door. You are more vulnerable when looking for your keys at the door.
- If you notice suspicious persons loitering around the property, report them immediately to the proper authorities. DO NOT confront them yourself.
- Immediately report the following to Management:
 - Any malfunction of safety devices outside your apartment such as broken gate locks, burned-out lights in stairwells and parking lots, blocked passages, broken railing, etc.

C. RENTER'S INSURANCE

You are responsible for obtaining renter's insurance for your personal belongings and to protect yourself against any liability. You understand that the insurance in place for the community does not provide coverage for your personal belongings, property damage or bodily injury. If you or your guests suffer a loss due to fire, flood, vandalism, theft, or other cause of loss, that loss will not be covered by the community's insurance.

In general, renter's insurance is not expensive, and can provide substantial protection and peace of mind. You must obtain a renter's insurance policy with coverage for personal property and at least \$100,000 liability and you must provide evidence of such insurance coverage before moving in.

D. KEYS AND KEY RELEASE

If you receive an access code, card or key, you agree to use the access code, card or key for your personal use. You understand that any duplicate keys or entry devices must be made by us, and that all keys or entry devices issued must be returned at move-out. You cannot change the entry locks or otherwise deny us access to the apartment. If keys or entry devices are not returned or lost, a replacement charge will be assessed for each item. If

key or entry device is lost or stolen, you should notify us immediately. We are not obligated to, but if it is approved by us and you wish for us to release a key to your apartment to anyone not listed on the Lease, you must complete a Key Release Form (see a community representative to obtain form). You understand that it is your responsibility to notify us in writing should any person listed on a Key Release Form no longer have permission to access the apartment. You will inform person(s) listed on the key release that we will require valid photo identification prior to releasing any key or allowing access. We are not liable for unreturned keys or any damages to you, your roommates or your guests for injury, damage or loss to person or property caused by criminal conduct of other persons including theft, burglary, assault, vandalism or other crimes.

E. FIRE SAFETY

Please call 911 if there is a fire or if you see/smell smoke.

Disabling or tampering with a fire extinguisher, pull stations or smoke detector is a violation of the law and may lead to fines and possible termination of the Lease. Prevention is your best insurance against fire. We recommend that you follow these simple safety precautions in your own apartment to prevent fires:

- Do not put water on a grease fire. Call 911 immediately.
- Do not let grease or oil cook on the stove unattended.
- Properly dispose of all lighted tobacco products in appropriate metal containers. Do not smoke in any interior spaces.
- Avoid cooking while intoxicated, taking medication or when sleepy.
- Test smoke detectors monthly to make sure they are working.
- Do not store gas-operated tools or vehicles inside the apartment or under stairwells, breezeways, patios or balconies.
- Do not burn candles of any kind.
- Do not overload outlets or circuits.
- Do not use halogen bulbs or lamps.

F. FIRE/EARTHQUAKE

If there is a fire, do not exit your apartment into the hallway or breezeway. First, calmly feel the door. If it is hot, use another way out. If the door is cool, leave by the nearest exit. If your planned escape route becomes smoky, get down on your hands and knees and crawl - smoke rises, so the cleanest air is nearest the floor. If you cannot escape your apartment, stuff wet towels, sheets and clothes around the door and vents to keep smoke out. Call 911 and give them your exact location. If no smoke is coming into the room, slightly open a window. Stay low and wave a bright cloth, towel or sheet out a window to signal your location.

During an earthquake, you should sit in a doorway or under a desk or table. Stay away from glass windows, shelves and heavy equipment. If you are outdoors, move away from buildings, utility poles and other structures.

G. SEVERE WEATHER PREPARATIONS

- You should comply with all evacuation orders issued by local, state or federal departments. Do not wait for instructions from the community.
- Listen to the radio or television for the latest information - check the weather forecast before leaving for planned outdoor activities and postpone plans if severe weather is imminent.
- Before the storm, notify family, friends and neighbors as to your whereabouts and your plans. Establish a post-storm communication plan - place and time to meet, etc.
- Remove all items from your porch or balcony and close all windows and doors (draw the shades or blinds on windows).
- During severe weather, go to an inner hallway or small inner room such as a bathroom or closet. Stay away from windows, doors, and outside walls. If necessary, get under a piece of sturdy furniture and use sofa cushions to protect head and neck.
- Do not use plug-in electrical equipment like hair dryers or toasters during the storm.
- Ensure your cell phone is fully charged the night before.
- Stock up on bottled water.
- Have a charged portable power bank available
- If the storm is severe, collect any forms of identification, credit cards, emergency contact numbers, etc. and keep them with you.
- Keep all medications with you.
- The key to ensuring refrigerated/frozen food does not spoil is to minimize the amount of times the doors are opened. You can plan for this by taking out non-perishable drinks that can be stored at room temperature (soda, water, canned or packaged juices). Extra Ziploc bags full of ice cubes are another step to help keep items in the freezer at a suitable temperature.

H. FREEZING WEATHER

If freezing weather is expected, you should open the cabinet doors under the kitchen and bathroom sinks so that the exposed plumbing fixtures do not freeze.

If you are going to be away from your apartment for a longer period of time, please leave the thermostat set to "auto" and at a minimum of 55 degrees. These precautions are essential in order to avoid substantial damage to your apartment and personal belongings from broken pipes.

If you fail to take these precautions, you may be liable for damages to your apartment and any other damaged areas.

I. HOLIDAY CHECKLIST

- If you plan to travel when rent is due, you should make prior arrangements for rent to be paid on time. If you are mailing your payment, make sure you allow ample time for it to reach us by the 1st of the month. You can also pay online through the Resident Portal
- In cold weather, set your heater on “auto” with the temperature set on 55. Be sure to leave cabinet doors open under all sinks.
- In hot climates, set your air conditioning on “auto” with the temperature set on 80.
- Leave a visible light on. You may want to use an automatic timer on one of your lamps.
- Do not leave notes on your door or post on social media that you are not home.
- Take any valuables (TV, stereo, computer, jewelry, etc.) with you.
- Make sure all windows and doors are locked.

MAINTENANCE

A. SERVICE REQUESTS

We offer 24-hour response to emergency service requests. Call 911 in case of fire or other life threatening situations. For After-hours Emergencies (as defined below), call the management office number and explain the situation. They will contact the proper service personnel. For normal service requests, please submit a work order through the resident portal online or in the leasing office.

In an attempt to effectively manage after-hours calls, we categorize calls into two categories: After-hours Emergencies and General Service Requests.

- An After-hours Emergency is defined as any failure or malfunction in which life, health, or property is threatened if immediate corrective action is not taken. Though it is impossible to list or predict all possible scenarios, the list below includes acceptable on-call emergencies.
- General Service Requests are calls that do not conform to criteria for an After-hours Emergency - in short, they are routine service calls which can wait until morning, at which time the work order will be completed on a first-come, first-served basis as quickly as possible. You can be fined for requesting an After-hours Emergency when the call is in fact just a routine service call.

B. AFTER-HOURS EMERGENCIES

Examples of After-hours Emergency requests are as follows:

- No heat or air-conditioning when outside temperatures are less than 50 degrees or higher than 80 degrees
- Electrical or gas failure of any nature
- Overflowing toilet
- Stopped up toilet if only one is available in apartment
- Water problems such as leaks, severe back-ups, or broken pipes
- No water
 - No hot water when affecting more than one unit, when exterior temperatures are below 50 degrees
- Any unsecured entry
- Malfunctioning controlled access gates
- Threatening situations such as: fire, police action, or broken windows, locks, doors, etc.
- Bio hazards
- Lock-outs (fees may apply)

C. LOCKOUTS

If you inadvertently lock yourself out, you can call the management office number. If it is after hours, explain the situation and they will contact the proper service personnel. You will be required to provide photo identification and the service personnel must be able to identify you by pulling your file or the housing roster. After regular business hours, there will be a minimum lock-out charge of \$75 per lock-out or as detailed in your Lease. Additional charges may be assessed for repeat occurrences. *We cannot guarantee response or wait time.*

E. LIGHT BULBS

Your apartment is supplied with light bulbs at time of move-in. After move-in, please submit a work order for any light fixtures with burned out bulbs. Please report unlit bulbs over walkways, halls, or common areas to us.

F. PLUMBING/LAVATORIES

All water and plumbing apparatus shall be used only for the purpose for which they are constructed. Do not throw any items other than toilet paper (such as sweepings, rubbish, rags, cat litter, ashes, and feminine hygiene products) into the toilet or down the sink. Any damage to plumbing and the cost of cleaning and/or repairing such damage resulting from misuse will be charged to you. In the event that your toilet becomes clogged, please submit a work order.

G. PROPERTY APPLIANCE USAGE

1. Operating your Garbage disposal:

- Run cold water through garbage disposal and keep water running while the disposal is on.
- Gradually put food into garbage disposal; do not put in large quantities at once.
- Avoid hard objects such as chicken bones, steak bones, etc.
 - Avoid putting large pieces of food into garbage disposal. Remember, it has to fit into a very small hole at the base of the unit, about the size of a nickel.
 - Avoid putting bottle caps, glass, foil, rags, cigarettes, string, paper, or grease down garbage disposal. This will build up and cause clogging.
 - Avoid putting pasta, egg shells, or anything fibrous, (i.e. lettuce, celery, artichokes, corn husks, potato peelings, carrots peelings) into the garbage disposal. These items stick to the side of the garbage disposal causing it to become clogged.
- Allow garbage disposal to run 10 seconds after food clears, then continue running water for 15 seconds more.

Tips on using the garbage disposal:

- Hot water running through the garbage disposal works well with greasy foods, but NEVER pour grease down the drain.
- Ice running through the garbage disposal helps clean the disposal.
- Citrus (lemons, limes, orange slices) put into the disposal will help the garbage disposal smell better.
- Run the garbage disposal a few minutes before running the dishwasher since the dishwasher drains through the garbage disposal.
- Keep the cover in the stopper position when not in use (this will prevent foreign material from accidentally dropping into the disposal unit).

If the garbage disposal quits working, press the reset button under the garbage disposal unit (located under the sink) and turn the switch on. If the disposal still does not operate, please submit a work order and we will send someone out to repair the unit.

2. Care & Cleaning of Washer/Dryer

When using the washer, leave the lid open after washing to allow moisture to evaporate. The wash basket is practically carefree. If you want to clean the basket, use a clean soft cloth dampened with liquid detergent, then rinse (do not use harsh or gritty cleaners). To rinse, choose the largest load size, turn the cycle knob to any rinse setting and start the washer.

Do not overload the washer. Overloading the washer or allowing the washer to become unbalanced can cause damage to the washer and you will be responsible for any such damage.

The lint filter in the dryer should be cleaned before each use. This helps the dryer operate efficiently. Moisten your fingers and reach into the filter opening. Run your fingers across the filter. Lint must be removed from in and around the dryer (check behind the machine) to reduce fire hazards.

You should immediately wipe any spills or washing compounds on the washer and dryer. Wipe with damp cloth. Do not hit the surfaces with sharp objects. Dryer control panel and finishes may be damaged by some laundry pretreatment soil and stain remover products if such products are sprayed on or have direct contact with the dryer. Damages to the dryer from pretreatment products may result in charges to you.

3. Dishwashers

Rinsing your dishes before loading helps prevent the drain from clogging. If you have dishwasher safe plastic and wooden items, load them in the top rack only. Do not place fragile glassware in the dishwasher; the jet action may cause breakage.

4. Central Air & Heat (HVAC)

If your apartment is equipped with individual unit central air and heat, an ideal temperature setting is between 71° and 74°, with the minimum to maximum range being from 70° to 78° (please be aware that setting your thermostat to temperature extremes may cause damage to your HVAC unit). You should allow a minimum of ten minutes for the temperature to adjust (choosing an extreme setting will not bypass this 10 minute adjustment). If at any time you find that your thermostat is malfunctioning or for more detailed operating instructions, please call us. Never turn the HVAC thermostat completely off unless instructed to do so by management.

5. HVAC Filters

At move-in, your HVAC filter will be new. Twice-yearly, our maintenance team will schedule your filter to be replaced. Additional replacements can be requested at any time by calling the management office.

H. FURNITURE

The supplied furniture inside the apartment is designed for interior use only and may not be used for exterior purposes at any time. A labor charge will be assessed for furniture that must be removed from the exterior to the interior, as well as for any damages to the furniture. Any furniture provided by you must be removed at the end of your lease term or you will be assessed charges for the removal of such items.

I. SMOKE DETECTORS

You are responsible for ensuring that all smoke detectors are working properly. We request that you test smoke detectors on a monthly basis. Please call us if a smoke detector starts “chirping” or if it is determined through monthly smoke alarm tests that the smoke alarm is not working properly.

Do not disable smoke detectors. Disabling a smoke detector or removing working batteries is a violation of the law and may lead to fines and possible early termination of the Lease.

J. ENERGY CONSERVATION TIPS

Appliances

- Open the refrigerator door only long enough to get the food items you need.
- Before storing leftovers allow them to cool, that way your refrigerator or freezer will not have to work to cool them off.
- Overloading refrigerators and freezers will prevent cold air from circulating properly.
- Only wash full loads of clothes in the washer and dishes in the dishwasher
- If you wash dishes by hand, fill the sink with water instead of letting the water run, and rinse with cold water.
- Clean the dryer’s lint filter after each load.
- Most materials only need a 10 -15 minute wash cycle to get them clean, over washing and over drying will wear out your clothes faster.

Water and Utilities

- Turn off lights when you leave the room.
- Unplug chargers when they are not in use and utilize power strips.
- Turn the water off when you’re not using it - such as when lathering your hands with soap, brushing your teeth and scrubbing dishes.
- Decrease your normal showering time by 2 minutes.
- In colder months, the thermostat should never be turned up high to heat a home in a hurry (it will not heat your home any faster).
- In warmer months, the thermostat should never be turned below 70 to avoid freezing your HVAC unit.
- Do not let heat or cold air escape - keep windows and doors closed while HVAC is in use.
- Use fans and open windows to create a cross-draft instead of using your central air-conditioning.
- Keep your vents free from obstructions.

YOUR CONDUCT

You are responsible for the consequences of your guests’ actions. You should inform your guests of conduct rules and accompany them within common areas at all times. We may exclude from the community guests or others who, in our judgment, have been violating the law, violating the Lease or any apartment rules, or disturbing other residents, neighbors, visitors, or owner representatives. We may also exclude from any outside area or common area a person who refuses to show photo identification or refuses to identify himself or herself as a resident, occupant, or guest of a specific resident in the community.

A. DRUGS AND ALCOHOL

You or your guests will not engage in or permit your apartment to be used for criminal activity, including drug-related criminal activity and will not engage in the manufacture, sale, or distribution of illegal drugs at any location, whether on, or near, the community. It is your responsibility to notify the proper authorities if you suspect a roommate or a guest is engaged in illegal activities.

Possession and consumption of alcoholic beverages must be in full compliance with local, state and federal laws and regulations and in accordance with these rules and regulations.

Violation of the above shall be a material violation of the Lease and may be cause for termination of tenancy. Lease Termination/Eviction does not release you from your financial obligations under the Lease.

B. SMOKING

Smoking of any kind (cigarettes, vaping, hookah, marijuana, or otherwise) is prohibited inside any apartment, balcony, patio, and all other indoor and outdoor areas at the Apartment community. If your Apartment community has designated smoking areas, cigarette butts must be disposed of in the proper receptacle and not left of the ground. Smoking violations of any kind will result in a minimum \$250 fee for the first offense and will increase for every subsequent violation up to termination of the lease agreement.

C. FIREARMS, WEAPONS AND HAZARDOUS MATERIALS

You may not under any circumstances have a handgun, rifle or any other weapon of any kind on our property regardless of state or local law to the contrary. Weapons of any kind are not permitted including, hunting equipment, slingshots, gas-powered guns, air rifles and paintball guns.

Any form of explosive devices - including firecrackers, fireworks, ammunition, pyrotechnics, and similar products are also not permitted in the community. It is a misdemeanor to possess, store, sell, or use fireworks in or around the community. You may not store gasoline in your apartment or on the patio or balcony. Harboring hazardous materials with intent to create explosive devices shall be referred directly to the proper authorities. Any violations of this provision of your Rules and Regulations may constitute a lease default; leading to lease termination and financial penalty.

D. MOTORCYCLES & SCOOTERS (FUEL OPERATED)

All fuel-operated vehicles may only be parked in designated areas and must be properly registered (see "Parking" under Your Community in this Handbook). Due to safety concerns, it is prohibited to store such vehicles inside the apartment, on patios/balconies, stairwells, landings, breezeways and walkways. Any of these vehicles found beyond the designated areas may be cited, towed, and impounded at your expense.

E. NOISE

Excessive noise and loud music in apartments, hallways or common areas cannot be permitted at any time. Between the hours of 11pm and 7am, no noise of any kind that can be heard outside of the apartment is permitted. This includes stereos, televisions, musical instruments, slamming doors and windows, running up and down stairs, sounding vehicle horns and yelling. You are responsible for your guest's behavior.

F. ODOR

You will not permit any offensive odors to originate from your apartment or bedroom at any time.

G. CONDUCT

Both direct and indirect forms of verbal and written abuse, threats, coercion, physical or verbal harassment, intimidation, violence against another person or their property, or causing the apprehension of physical or verbal harm are prohibited and will not be tolerated. Conduct that threatens the health and safety of any person (including yourself) may result in fines and possible termination of your Lease, privileges and possible criminal action. You are responsible for reporting abuse to appropriate authorities.

At all times, you and your guests are expected to conduct yourselves in accordance with the rules contained in this Handbook.

In the presence of a policy violation, you may attempt to stop the violation, contact management staff and/or immediately remove yourself from the situation and the vicinity of the violation. If you choose to remain at the scene of a policy violation, you will be included in the documentation and may also be held accountable for applicable policy violation(s). Concealment is also considered a policy violation. If concealment should occur, you may be considered an accomplice to the violation and be subject to any actions outlined above.

H. FINES

Unless otherwise set forth in this Handbook or the Lease Agreement, all violations of these Rules and Regulations will be treated as follows: 1) First Occurrence - \$250 charge will be assessed, 2) Second Occurrence - \$500 charge will be assessed, 3) Third Occurrence - \$1,000 charge will be assessed. This section does not prohibit us from exercising any of its rights and remedies under the Lease or assessing fines beyond these amounts for specific and/or serious violations as determined by management. These fines are intended as guidelines only and may be increased or decreased at our sole discretion based on the nature and severity of the violation.

MOVING OUT OF YOUR APARTMENT

A. MOVE-OUT PROCESS

Prior to the end of the Lease term (if you have not renewed your Lease), you will receive a letter outlining the move-out process. You will be required to clean your apartment and you will be responsible for payment of damages assessed against you. You must turn in all keys, access card/FOB, gate transmitter and provide your forwarding address on or before the move-out date and time. If you do not meet the deadline, you may incur additional holdover charges or fees. If you are renewing with us and are moving to a different apartment, you will receive additional instructions for transferring to your new apartment.

Prior to move-out, all late charges, delinquent rents and outstanding fees for damages must be paid.

1. Checking Out

You have two options for checking out of your apartment:

Option 1

Our Standard checkout procedure is to have a staff member inspect your apartment and note damages prior to the move-out date. If you elect to have a move-out inspection, you must call us to schedule an appointment. All appointments will be scheduled during the week prior to the move-out date and you must be present for the review. No move-out inspections will take place on the scheduled move-out date.

Option 2

We offer an Express Checkout as a convenience to our residents. If you do not wish to have a move-out inspection with a staff member, you may pick up a key return envelope and drop the completed envelope and keys at the management office prior to leaving the community.

The move-out process will not be complete until all residents within an apartment have moved out (regardless of whether you utilize the Standard Checkout or the Express Checkout). Once all residents within an apartment have checked out, the apartment will be inspected for damages, charges will be assessed, and deposit refund checks will be processed accordingly.
